# The International Climate Initiative (IKI)

- Since 2008, the IKI has been financing climate and biodiversity projects in developing, emerging, and transition countries
- More than 800 projects with a current funding volume of approximately €5 billion
- Project selection through idea competitions for the thematic and country calls across four funding areas
- ODA eligibility as a prerequisite for the receiving IKI funds
- Since 2022, the IKI has been implemented by three ministries.

**Mitigation of greenhouse gas emissions**

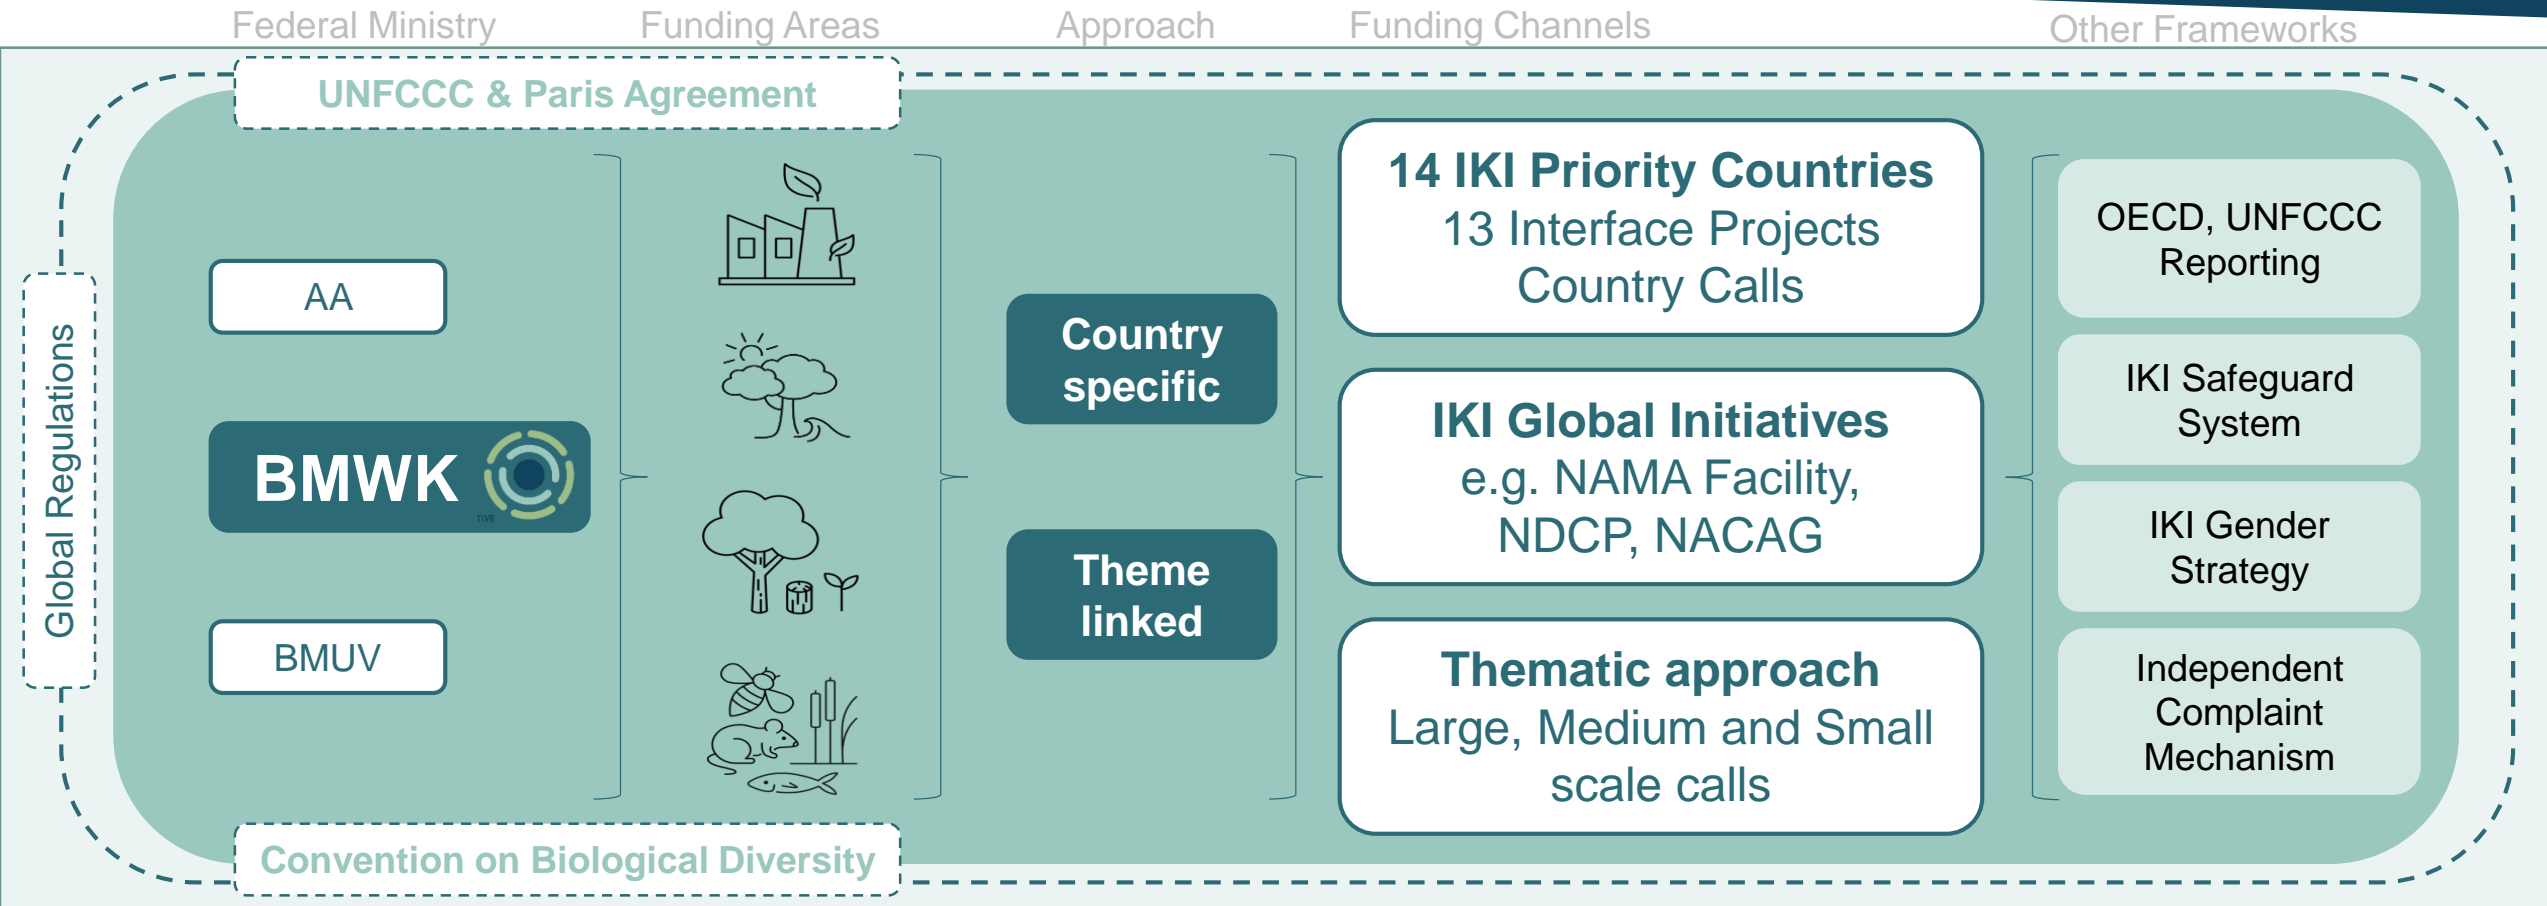

**Adaptation to the impacts of climate change**

**Conservation of biodiversity**

**Conservation of natural carbon sinks**  
Focus on reducing emissions from deforestation and forest degradation (REDD+)
