

Our Work in Viet Nam

1. Contributing to a sustainable development based on social inclusion and the rule of law

2. Working together with the Office of the National Assembly

3. Supporting environmental protection with a focus on SDG 12

Academic/scientific inputs to our ongoing project activities in Viet Nam

- ❖ Academic inputs of German and Vietnamese researchers in workshops within the framework of the Rule of Law Dialogue between Germany and Vietnam

- ❖ Publications for Deputies of the National Assembly (NA) of Vietnam

E.g.: Academic inputs of European and Vietnamese researchers in the quarterly Parliamentary Information Brief of the ONA of Vietnam

Other opportunities for cooperation at the nexus of academia and our projects

- ❖ Academic inputs on projects on social and environmental policies in Viet Nam

E.g.: Publication of Country Report series in cooperation with Justus Liebig University Giessen (Germany) and VNU University of Social Sciences and Humanities (Viet Nam) and participation of international researchers

- ❖ Academic inputs and trainings on circular economy as part of our collaboration with think tanks
