

GIZ Vietnam at a glance

Presentation at the German-Vietnamese Science Day

Da Nang, 24 April 2023

GlZ is a service provider in the field of international cooperation for sustainable development

We support the German Government in achieving its objectives in the field of **international cooperation for sustainable development**.

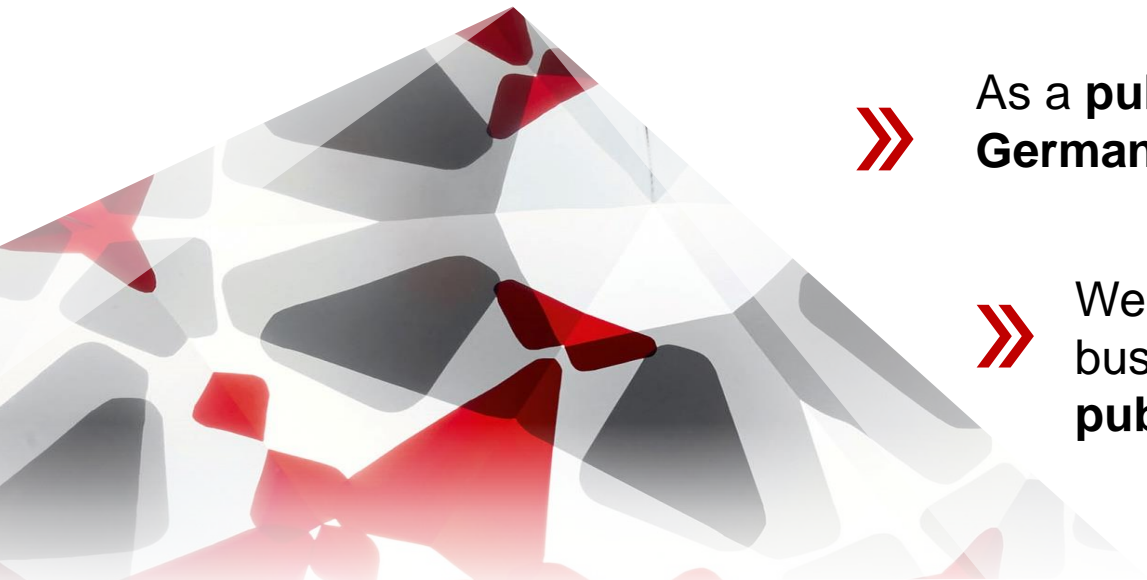

We promote **international education work and human capacity development**.

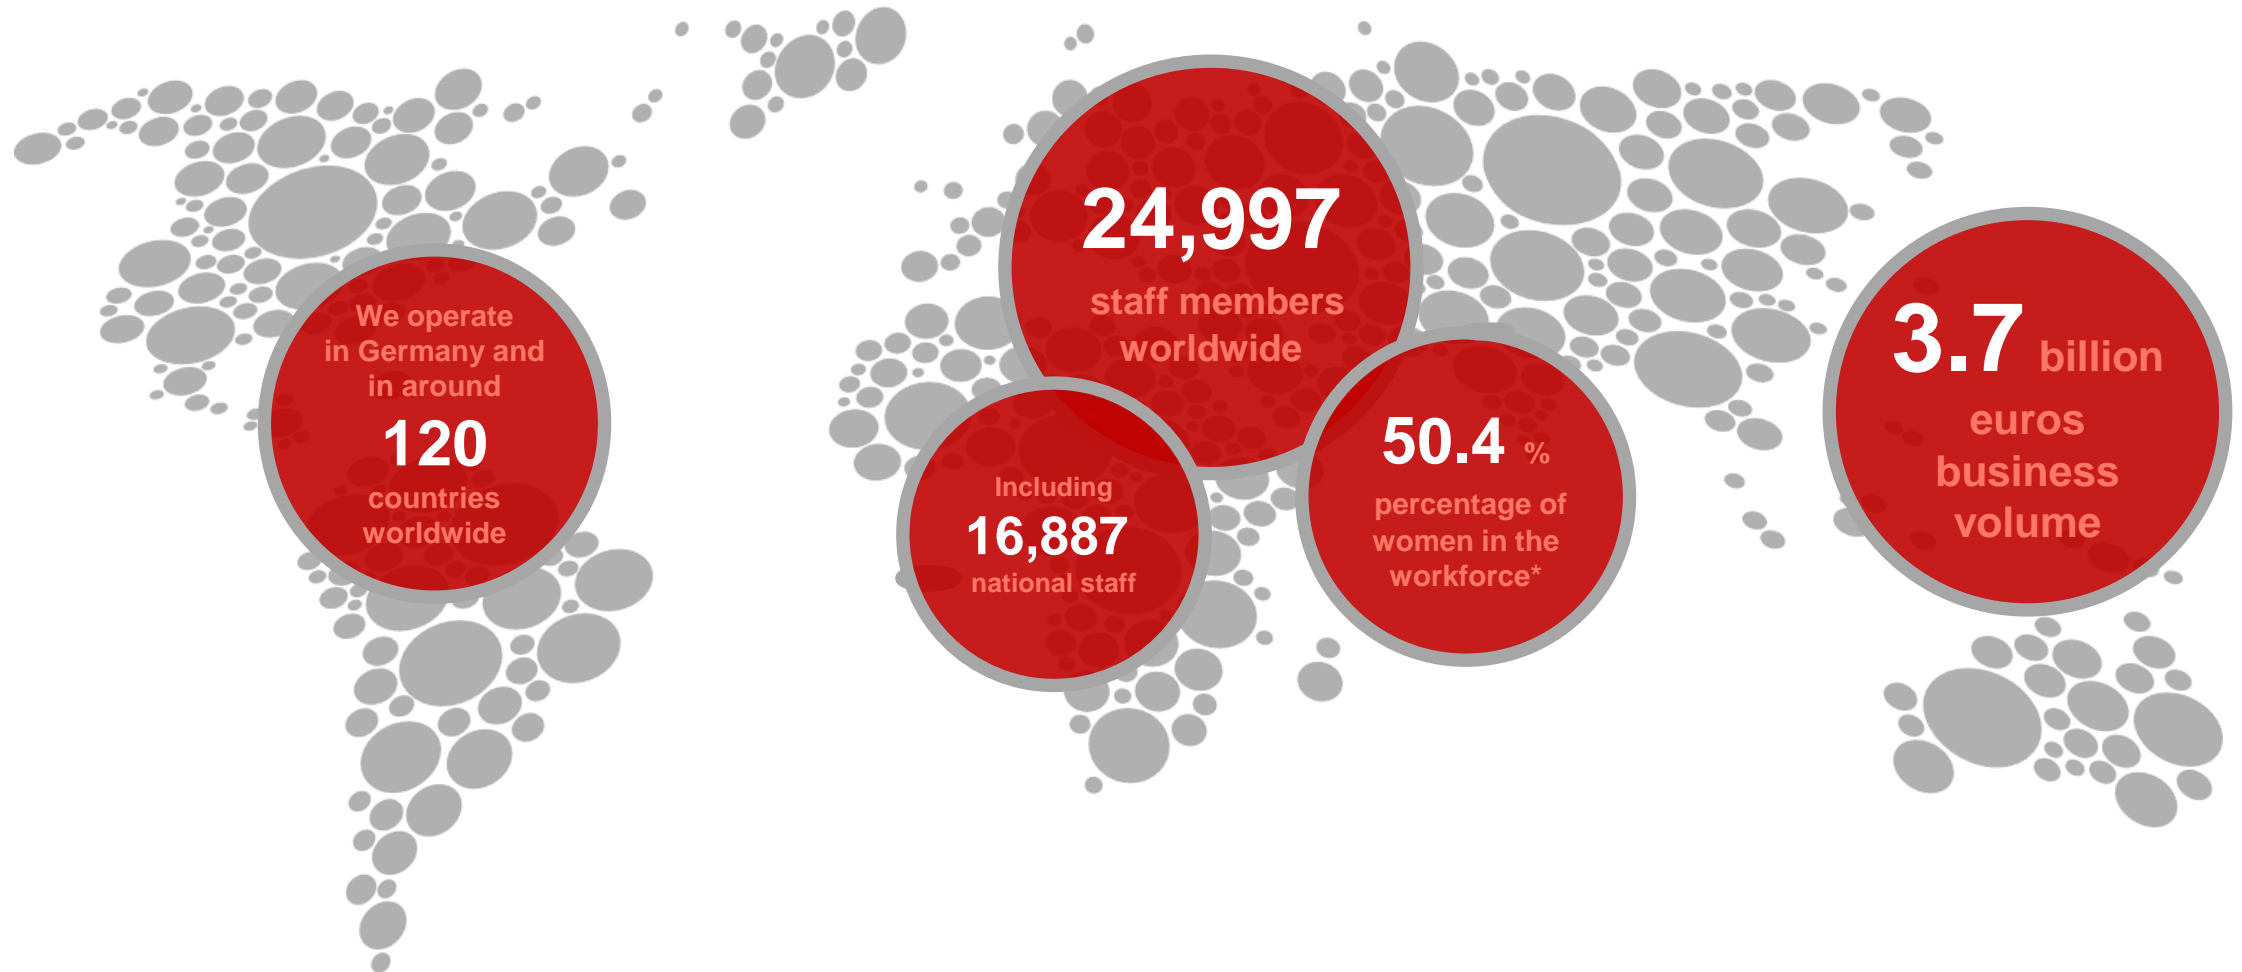

As a **public-benefit federal enterprise** we uphold **German and European values**.

We **are a company under private law** and have a taxable business area **GlZ International Services** alongside our **public-benefit** business area.

Selected business statistics GIZ (2021)

GIZ draws on experience-based approaches and methods for:

Advisory services and project implementation

International capacity development

Networking, dialogue and mediation

Management and logistics

GLZ: Partner for Cooperation with Vietnam

- » GLZ supports policy-makers in Vietnam in the development and implementation of ideas for changes necessary for a **sustainable development in the digital era** (just transition, twin transition), aligned with partner interests and priorities
- » with a focus on **global challenges** such as climate change and biodiversity loss, labor migration and pandemics, and **global solutions** such as renewable energy, green growth, digital transformation, Industry 4.0, One Health
- » based on a multi-stakeholder and multi-level approach, **linking our Vietnamese partners to global networks**
- » GLZ has long-standing experience in **capacity development** and long-term trustful relationships with central ministries and entities, provincial administrations, universities and think tanks, international organizations and private actors

GLZ Vietnam
